Read the following passage and answer the questions given after it.

A strange event happened on Thursday. A Nilgai gave a tough time to the police and officials of the forest department who took several hours to safely take the animal to Asola Bhatti Wildlife Sanctuary.

Early in the morning the Nilgai entered Delhi's most protected zone, Vijay Chowk. Senior officials spotted it going towards the Parliament House.

The animal could be caught only after hours of struggle. The NGO, Wildlife SOS, had also deployed its 10-member team to rescue the animal. "The Nilgai has been successfully rescued by #Wildlife SOS from #Vijay Chowk," the NGO tweeted after the rescue work was over. It is believed to have strayed from a forest area behind the President's Estate. Initially a group of policemen rushed to remove the animal before VIP convoys of ministers and top officers started moving into the area.

The blue bull was seen running around the lawns as a PCR van was entrusted with the task of chasing it towards that zone. While the van was about to take a sharp turn, the Nilgai suddenly ran towards it and hit the vehicle on the driver's side. The impact led to a broken window glass and also caused injury to the Nilgai's leg.

The police team also made a human chain bordering the lawn to ensure that the Nilgai didn't run towards the road again. Soon thereafter the traffic police also joined the Nilgai operation and the area was cordoned off. The incident also caused traffic snarls in the area which lasted for around an hour.

Finally the forest department officials rescued the animal and explained that they had to be careful as the Nilgai has a "very delicate heart" and cannot be chased back to the forest and "had to be rescued."

A forest department officer further said that the department is yet to ascertain her age and whether the animal is pregnant or not. According to the forest department, it received a call about the presence of the animal in the VVIP zone around 10 AM following which teams were rushed to the spot.

निम्नलिखित गर्यांश को पहें और उसके बाद दिए गये प्रश्नों के उत्तर *

गुरुबार को एक बिचिब घटता हुई। एक जीवनाय को पकड़ने के लिए
पुलिस और जगल विभाग के अधिकारियों को काफी कठिजाई का
सामना करना पड़ा। कई घंटों की परेशानी के बाद, नीलगाय को मुरक्षिल
रूप से पकड़कर असोला भड़ी बन्यजीव अभयारण्य भेजा गया।।

पात काल वह लीलगाय, दिल्ली के सबसे सुरक्षित क्षेत्र, निजय चॉक में घूस गयी थी। वरिष्ठ अधिकारियों ने इसे संसद अवन की तरफ जाते हुए देखा।

इसे कुछ घंटों की परेशानी के बाद ही पकड़ा जा सकता था। वाइल्डलाइफ एस.ओ.एस., एन.जी.ओ. ने भी जानवर को पकड़ने के लिए अपनी 10 सदस्यीय टीम भेजी थी। बचाव कार्य समाप्त हो जाने के बाद एल.जी.ओ. ने द्वीट किया, "नीकगई को " विजय चौक से " वर्ल्डलाइफ एस.ओ.एस. द्वारा सफलतापूर्वक बचा लिया गया है"। ऐसा माना जाता है कि, वह राष्ट्रपति भवन के पीछे स्थित वनीय क्षेत्र से भटक कर यहाँ आ गई थी। आरंभ में मंत्रियों के बी.आई.पी. काफिले और शीर्ष अधिकारियों के क्षेत्र में प्रवेश से पहले पुलिसकर्मियों कर एक दल इसको निकालने के लिए पहुँचा था।

नोलगाय, लॉन के आसपास दौड़ रही भी क्योंकि पी.सी.आर. बैन को उस क्षेत्र में उसका पीछा करने का कार्य सौंपा गया था। जब वैत को एक तौत मोड़ लेगा था, तभी गौलगाय अचानक से उसकी ओर दौड़ने लगी भी और उसने चानक की तरफ वैन को टक्कर मारा। इसके कारण खिड़की का कांच टूट गया और तीनगाई के पैर में बोट भी नग गई भी।

पुतिस दल ने लॉन के चारों और एक मानव शृंखला भी बना ली थी जिससे लीलगाय फिर से सड़क की और न दौड़ सके। इसके तुरंत बाद यातायात पुलिस भी नीलगाय अभियान में शामिल हो गई और क्षेत्र को घेर लिया गया था। इस घटना ने उस इलाके के यातायात में अफरा-तकरी मचा दी थी, जो लगभग एक घंटे तक चली थी।

अंत में वन विभाग के अधिकारियों ने नौतगाय को बचा तिया और समझाया कि लोगों को सावधान रहता होगा, क्योंकि नौजगाय का "हृदय बहुत कोमल" होता है और इसे भगाकर वापस बन में नहीं छोड़ा जा सकता, तथा इसे "पकड़ा ही जाना चाहिए।"

दन विभाग के अधिकारी ने आगे कहा कि विभाग द्वारा उसकी आयु और उसकी गर्भवती अवस्था का पता लगाया जाएगा। वन विभाग के अनुसार, लगभग पातः 10 वजे वी.वी.आई.पी. क्षेत्र में नीलगाय की उपस्थिति के बारे में एक फोन आया था, जिसके बाद दल मौके पर पहुँच गया था।

Once upon a time, there was a man who was very helpful, kindhearted and generous. He was a man who will help someone without asking anything to pay him back. He will help someone because he wants to and he loves to. One day, while walking into a dusty road, this man saw a purse. So, he picked it up and noticed that the purse was empty. Suddenly a woman with a policeman shows up and gets him arrested. The woman kept on asking for her money and started treating him, as if he was the real culprit. However, the man kept his patience and replied that the purse was already empty when he found it. After a while, the woman started yelling at him and pleaded to give the money back, as it was the school fees of her son. The man noticed that the woman really felt sad, so he handed all his money. He thought that the woman might be a single mother. So, he gave all of his money and said that he was sorry for the inconvenience. The woman left and the policeman held the man for further questioning. The woman was very happy. But, when she counted her money later on, she found that it was doubled. This incident shocked her badly. Few days passed by and one fine day, when the woman was going to pay the school fees of her son, she noticed that some skinny man was walking behind her. She thought that he may rob her. So she approached a policeman standing nearby. He was the same policeman, who she took along to inquire about her purse. The woman told him about the man following her. But, suddenly they saw that the man started collapsing. They ran at him and saw that he was the same man whom they arrested few days back for stealing a purse. He looked very weak and the woman was confused. It was then, when the policeman told the woman that he was not the thief, who stole your money. But, hearing about the school fees, he felt sad and gave you all of his money. Later, they helped the man stand up, and man asked the woman to go ahead and pay the school fees of her son. He said that he was following her to be sure that no one steals her money. The woman was speechless. The moral of this story is that life gives you strange experiences, sometimes it shocks you and sometimes it may surprise you. We end up making wrong judgments or mistakes in our anger, desperation and frustration. However, when you get a second chance, you should correct your mistakes and return the favor.
