Read the following passage and answer the questions that follow:

The four-yearly cycle of the modern Olympics has in the past few decades been disrupted by global warfare, terrorist outrage and political boycott. Revived in 1896 as a form for peaceful competition between the finest athletes in the world, the Games have also reflected national rivalries. Even in ancient Greece, where the original Olympics took place, there had been feuds among its states. But once every four years in the month of July, internal warfare was formally suspended and the athletes and the interested people moved towards Olympia. Today, the ruins of Olympia still stand testimony to the glory of the Games. The site lies in the south of Greece. Archaeological evidence indicates that Olympia was a place of worship even in prehistoric times. Later, it became particularly associated with festivities honouring Zeus, greatest of gods - who started a tradition of games at Olympia. Whatever the reality behind the legend is, history records that in 776 BC, the warring kings signed a sacred peace pact. To honour their contract, foot races were held at Olympia. The names of the winning contestants were written down, and the records of the Olympics provide the central chronology of Ancient Greek history.

The Games expanded over the centuries. To the original foot races were added races on horseback and in chariots, jumping and throwing events, and several forms of unarmed combat. In the 5th century BC, a fixed programme was agreed, with separate contests for men and for boys. The Games had become the supreme festival in ancient Greece.

Women were not allowed to compete in the main Games. They had a separate four-yearly festival held in honour of Hera, wife of Zeus. During these celebrations, also held at Olympia, a foot race was organised for women, but it was entirely unrelated to the main festival. The only exception to the ban on women occurred in the chariot races, where the owner of the horses rather than the charioteer was considered the winner. Women could and did win as owners, though they were never allowed to take part themselves.

When the ceremony was over, the Olympic champions would walk in a majestic procession. The cheering of their admirers was tumultuous.

3 * As charioteers

4 * As foot racers

पिछले कुछ दशकों में, आधुनिक ओलंपिक का चार वर्षीय चक्र, वैश्विक युद्ध, आतंकवादी उत्पीड़न और राजनीतिक बहिष्कार से बाधित रहा है। 1896 में द्निया के बेहतरीन एथलीटों के बीच शांतिपूर्ण प्रतिस्पर्धा के लिए एक रूप में पुनर्जीवित, खेलों ने राष्ट्रीय प्रतिद्वद्वियों को भी प्रतिबिंबित किया है। यहां तक कि प्राचीन ग्रीस में, जहां मूल ओलंपिक का आयोजन हुआ था, वहां पर भी इसके राज्यों में झगड़ा हुआ था। परंत् हर चार वर्ष में, जुलाई के महीने में आंतरिक युद्ध को औपचारिक रूप से निलंबित कर दिया जाता था और एथलीटों तथा इच्छ्क लोग ओलंपिया की तरफ चले जाते थे। आज ओलंपिया के खंडहर, अभी भी खेलों की महिमा की गवाही देते हैं। यह स्थान ग्रीस के दक्षिण में स्थित है। पुरातात्विक प्रमाण बताते हैं कि ओलंपिया प्रागैतिहासिक काल में भी पूजा का स्थान था। बाद में, यह स्थान विशेष रूप से ज़ीउस, महान देवता --- जिन्होंने ओलंपिया में खेलों की परंपरा श्रूरू की थी, का सम्मान करने वाले उत्सवों से जुड़ गया था। पौराणिक कथाओं के पीछे जो भी वास्तविकता हो, इतिहास में दर्ज है कि 776 ईसा पूर्व में, युद्धरत राजाओं ने एक पवित्र शांति संधि पर हस्ताक्षर किए। अपने अनुबंध का सम्मान करने के लिए, ओलंपिया में पैदल दौंड आयोजित की गईं। विजेता प्रतियोगी के नाम लिखे गए और ओलंपिक के रिकॉर्ड को पाचीन ग्रीक इतिहास के केंद्रीय कालक्रम में स्थान प्रदान किया गया।

खेलों का विस्तार सदियों तक हुआ। मूल पैदल दौड़ में घुडसवारी और रथों में दौड़, कूदना और फेंकना प्रतियोगिताएं और अनेक प्रकार के शस्त्र रहित युद्ध शामिल थे। 5³ शताब्दी ईसा पूर्व में, पुरुषों और लड़कों के लिए अलग अलग प्रतियोगिताओं के साथ एक निश्चित कार्यक्रम पर सहमति बनी। प्राचीन ग्रीस में खेल, सर्वोच्च त्यौहार बन गये थे।

मुख्य खेलों में महिलाओं को प्रतिस्पर्धा करने की अनुमित नहीं थी। जीउस की पत्नी हीरा के सम्मान में, उनके लिए अलग से चार वर्षों में एक त्याँहार आयोजित किया जाता था। इन समारोहों के दौरान, ओलंपिया में महिलाओं के लिए एक पैदल दौड़ भी आयोजित की जाती थी, लेकिन यह मुख्य समारोह से पूरी तरह से असंबंधित थी। महिलाओं पर प्रतिबंध का एकमात्र अपवाद रथ दौड़ में हुआ, जहां रथ के बजाए घोड़ों के मालिक को विजेता माना जाता था। महिलाएं मालिकों के रूप में जीत सकती थीं और मालिक के रूप में जीती भी, हालांकि उन्हें स्वयं भाग लेने की अनुमित नहीं थी। जब समारोह समाप्त हो जाता था, ओलंपिक विजेता राजसी जुलूस में चलते थे। उनके प्रशंसकों की जयकार उद्य होती थी। Question Number: 53 Question Id: 93249454 Question Type: MCQ Option Shuffling: Yes Display Question Number: Yes Single

People often wonder how to be positive in their thoughts and actions, especially when they are unhappy or when life is harsh to them. There are numbers of people around, who find it extremely difficult to be positive, even when things go well. Though it is so simple, most people do not know how to be positive. Researchers say that people prefer to stay negative, as it has transformed into a habit. Negativity is no more an emotion. It has rather become a more familiar state of mind. However, it should be noted that one cannot continue living his life with negative thoughts. You may not realize, but such thoughts do have an adverse effect on your health, career and mindset. So, you should learn how to be positive. On account of some training and perseverance, you will definitely develop the skill and observe a drastic change your attitude and behavior. Always remember that if you keep thinking the same thoughts, day and night, they might surely enter your world, becoming your reality. This means that if you want your life to be as you want it to be, you have to be careful of what you think. You need to start thinking more positively. Changing your attitude and expectations can be a great start to change your life accordingly. Right from the simplest action to the greatest achievement, everything starts from within. We cannot always control our external circumstances, but we can control our inner world of thoughts. If you are unhappy and not satisfied with your life, try to change the way you feel and think. This is the only way you can lead your life towards more motivation, happiness, and improved conditions. Learning to be more positive in your thoughts and actions will help you see everything from a wider perspective, as well as it would free your mind from limitations. You only need some guidelines on how to start being more positive. Reading is great. Understanding is great. However, to gain results you need to take action. Therefore, here are some suggestions that you can follow. Substitute your negative thoughts with positive ones. Whenever you catch yourself thinking negatively, fill your mind with the opposite thoughts, of happiness and success. Learn to feel as if you are already living the life you want. This way, you will certainly become happier, and attract new opportunities in life. Look for the good in every situation, as there is always something good, or at least something useful to learn, even in difficult or unpleasant situations. Read success stories of motivational personalities. Repeat positive affirmations about what you want, many a time during the day. These activities will certainly help you.
