Read the passage given below and answer the questions that follow by marking the most appropriate option out of the four given after every question.

Now, there is a second rose garden in the Capital! The New Delhi Municipal Council (NDMC) has marked a space exclusively for the fragrant flowers on Satya Marg, Chanakyapuri. Built on a sprawling 3 acres area, it is just across the existing India-Africa Friendship Rose Garden on Shantipath. It was inaugurated on June 15, 2016 by then Urban Development Minister M. Venkaiah Naidu. NDMC officials said the garden will delight residents, tourists and officials of embassies in the area alike.

Large lily and lotus ponds are being made at the new rose garden. Besides, ornamental fountains are also being installed. A horticulture official said, "Nearly 70 varieties of roses have been planted here akin to the ones in the India-Africa Friendship Rose Garden. This includes natives, hybrids and miniature breeds."

Rosa Louis Odier, Rosa Double Delight, Voor Elisa, Blush Rambler, Clementine and Rosa Cricket are some of them.

Last year, the Urban Development Ministry handed over the erstwhile National Rose Garden to NDMC. Previously being maintained by the Rose Society of India, it had lately fallen into disuse. The municipal body revived the garden by planting close to 6,000 indigenous and exotic varieties of roses. Pathways, trellises for rose creepers, and even a high tea lounge was set up.

It was inaugurated on the occasion of the 3rd India-Africa Forum Summit on October 26, 2015, by External Affairs Minister Sushma Swaraj, in the presence of Foreign Minister of Madagascar, Beatrice Jeanine Atallah, Ambassador of Ethiopia, Gennet Zewide and representatives from 54 countries. Hence, it was named India-Africa Friendship Rose Garden. NDMC had been planning to develop the land across Shantipath, into a similar rose garden ever since.

नीचे दिये गये आलेख को पढ़ें और उसके बाद दिये गये प्रश्नों के उत्तर प्रत्येक प्रश्न के बाद दिये गये चार विकल्पों में से सबसे उपयुक्त विकल्प को चिहिनत करके दें।

अब राजधानी में दूसरा रोज गार्डन है! नई दिल्ली नगर परिषद (एनडीएमसी) ने सत्य मार्ग, चाणक्यपुरी पर सुगंधित फूलों के लिए एक जगह को विशेष रूप से चिहिनत किया है। 3 एकड़ के विशाल भूखंड पर बनाया गया, यह शांतिपथ पर स्थित मौजूदा इंडिया-अफीका फंडिशिप रोज गार्डन के बहुत निकट है। इसका उद्घाटन 15 जून 2016 को तत्कालीन शहरी विकास मंत्री एम. वेंकैया नायडू ने किया था। एनडीएमसी के अधिकारियों का कहना है कि उद्यान से आसपास के दूतावास के निवासियों, पर्यटकों और अधिकारियों को सुगंधित वातावरण का अहसास होगा।

नए गुलाब उद्यान में लिली और कमल के बड़े तालाब बनाये जा रहे हैं। इसके अलावा, रंग-बिरंगी फटवारे भी लगाये जा रहे हैं। एक बागवानी अधिकारी ने कहा है, "इंडिया-अफ्रीका फेंडशिप रोज गार्डन की तरह यहां भी गुलाब की लगभग 70 प्रजातियां लगायी गई हैं। इसमें स्वदेशी, हाइब्रिड और छोटी किस्म के फूल भी शामिल हैं।"

रोज़ा लुइस ओडिर, रोजा डबल डिलाइट, वूर एलिसा, ब्लश रैम्बलर, क्लेमेन्टाइन और रोज़ा क्रिकेट उनमें से कुछ प्रमुख हैं।

पिछले वर्ष, शहरी विकास मंत्रालय ने एनडीएमसी को नेशनल रोज़ गार्डन साँप दिया था। इससे पहले भारत के रोज सोसाइटी द्वारा इसका रख-रखाव किया जाता था, हाल ही में यह अनुपयोगी हो गया था। नगरपालिका निकाय ने गुलाब की लगभग 6,000 स्वदेशी और विदेशी प्रजातियों के पाँधे लगाकर उद्यान को पुनर्जीवित किया है। मार्गों पर गुलाब के पोधों के लिए ट्रेल्स, और यहां तक कि एक ऊंचा टी पाँउंज भी लगाए गए हैं।

26 अक्तूबर, 2015 को तीसरे इंडिया-अफीका शिखर सम्मेलन के अवसर पर भारत की विदेश मंत्री सुषमा स्वराज ने मेडागास्कर के विदेश मंत्री, बीट्राइस जीनाइन अताल्ला, इथियोपिया के राजदूत गेंनेट ज़िवेड और 54 देशों के प्रतिनिधियों की उपस्थिति में इसका उद्घाटन किया था। इसलिए, इसे इंडिया-अफीका फेंडशिप रोज गार्डन का नाम दिया गया था। एनडीएमसी इसी तरह के एक ओर रोज़ गार्डन के निर्माण के लिए शांतिपिथ के आसपास की भूमि को विकसित करने की योजना बना रही थी।

When sorting out the puzzle, Points-based loyalty programs Vs benefits-based loyalty programs, lots of queries might come on your mind. Both the customer loyalty programs benefit the businesses in many ways. You need to choose the one that suits your requirements and budget. The motive of the loyalty programs is to engage your prospective and existing customers and encourage them to make purchases through your website. In the recent years, rewards and loyalty programs have reached to a different level. Their different forms have benefitted the small and mid-sized businesses in different ways while helping them to increase their customer retention and maintain their core-value. Thanks to the advancement in web apps which have made it easier for the owners of the stores to track every purchase their customers make. That is why the effectiveness and popularity of these programs have skyrocketed in just a few years. In a run where many companies are planning to implement the loyalty schemes, it is impossible to avoid addressing the target customers unique needs. What the team of Professionals does is to provide clients with the freedom to design the best loyalty programs that actually hit positively when it comes to reaching their business targets. Point based loyalty systems have been popular on the market since they were introduced and now you can see them almost everywhere. On the basis of what customers make purchase, the points are added to their wallet. At one point of time, customers will be eligible to redeem these points while opting for free and discounted products. Point based loyalty systems are highly effective since it encourages prospective and existing consumers to purchase new products. The program benefits new and repeat customers alike. It also allows customers to enjoy the flexible rewards system that provides them with a quick access to avail of a wider range of exclusive products. While benefits-based loyalty programs work on a different mechanism than points-based customer loyalty systems do. In such loyalty marketing programs, customers do not need to collect points to avail of the discounts and offers available on the range of products offered by the company, but they get the immediate access to buy products for free and save huge bucks on their every purchase. The opportunity of winning the exclusive prizes is also given to the customers through these programs. Benefits-based loyalty systems are also very helpful since it allows customers not to be bounded in a time-frame. They do not have to wait to gather the points that would make them eligible for availing of the rewards. This also improves the sales amazingly, which results in witnessing the jaw-dropping revenue in just a few hours of the beginning of the loyalty scheme.
