Read the given passage and answer the questions that follow.

The Bill of Fare

- Sarah's most successful battles were won at Schulenberg's Home Restaurant where she often dined.
- One winter evening, Sarah was sitting at Schulenberg's and crying over the bill of fare--- not because her favourite oyster or ice cream was not on the list but perhaps the story was going to be different. The bill of fare was absolutely unreadable. No one could tell if it was in English or German. And, if people were not careful they would perhaps order ice cream in place of soup.
- Sarah was so irritated that she carried the bill of fare to her room.

 Next day Sarah showed Schulenberg a card with the bill of fare beautifully typewritten. The food items were listed in the most attractive style.
- And the last line said: Not responsible for overcoats and umbrellas. Schulenberg was delighted. Instantly he struck an agreement. Sarah would provide typewritten bills of fare each day for each table. In return Schulenberg would send food to her room three times a day so that she did not have to stir out in the cold.
- Schulenberg's customers were happy too. Now they knew what they were ordering.
- One day while typing the list, she came to the last item 'Dandelions'.

 Instantly tears rolled down her cheeks. They reminded her of the spring when Walter, the farmer, had lovingly crowned her his queen and future wife with Dandelions.
- Walter had not visited or written to her since then.
- She forced the tears back and got back to typing.
- That evening, after dinner, she heard the doorbell ring. The landlady answered it.
- Sarah heard a strong voice. It was unmistakably her farmer, Walter.
- She dashed up three steps at a time and embraced him tightly.
- "Why did you not write all this time?" she asked.
- "I came to the town a week ago but could not find you at your old address."
- "How did you locate me?"
- He held out the card and pointed at the letter 'W'.
- "When I saw this I instantly knew who had typed. Your type writer always typed W above the line."

निम्निलिखित गद्यांश पढ़िए और प्रश्नों के उत्तर दीजिए। भोजन का बिल

सारा ने सबसे सफल संघर्ष शूलनवर्ग के होम रेस्तरां में जीता था जहाँ वह अक्सर भोजन करती थीं।

एक सर्द शाम, सारा शूलनबर्ग में बैठी थी और खाने के बिल के विषय में चिल्ला रही थी - इसलिए नहीं कि उसकी पसंदीदा ऑयस्टर या आइस क्रीम सूची में नहीं थी, परंतु शायद कहानी अलग ही थी।

खाने का बिल बिल्कुल अपठनीय था। वह अंग्रेजी में था या जर्मन में था यह तो कोई भी नहीं बता सकता था। और, यदि लोग सावधान न हों, तो वे शायद सुप के स्थान पर आइस क्रीम का ऑर्डरकरते।

सारा इतनी क्रोधित थी कि वह भोजन के बिल को अपने कमरे में ले आई।

अगले दिन सारा ने शूलनवर्ग को भोजन के बिल के साथ एक काई दिखाया जो कि टाइपराइटर से सुंदरता से लिखा हुआ था। इसमें खाद्य वस्तुओं को अधिकतम आकर्षक शैली में सूचीबद किया गया था।

और आखिरी पंक्ति ने कहा गया था: ओवरकोट और छित्रयों के लिए जिम्मेदार नहीं।

शूलनवर्ग आनंदित हुए। तुरंत उसने एक समझौता किया। सारा प्रत्येक टेबल के लिए हर रोज भोजन के टाइप किए हुए बिल उपलब्ध कराएगी। बदले में शूलनबर्ग द्वारा दिन में तीन बार उसके कमरे में भोजन भेजा जाएगा ताकि उसे ठंड में बाहर न निकलना पड़े।

शूलनवर्ग के बाहक भी खुश थे। अब वे जानते थे कि वे क्या आदेश दे रहे थे।

सूची को टाइप करते समय एक दिन, वह अंतिम मद 'इंडेलियंस' पर आई। तुरन्त ऑसू उसके गाल से नीचे लुदक गए। इन्होंने उस वसंत की याद दिला दी जब किसान वाल्टर ने, इंडेलियंस के साथ प्यार से उसे अपनी रानी और भावी पत्नी का ताज पहनाया था।

तब से वाल्टर ने उससे मुलाकात नहीं की थी या उसे पत्र नहीं लिखा था।

उसने बलपूर्वक अपने आँसू रोक लिए और वापस टाइपिंग करने लग गई।

उस शाम, रात के खाने के बाद उसे दरवाज़े की घंटी सुनाई दी। मकान मालिकन ने दरवाज़ा खोला।

सारा ने एक तेज आवाज सुनी। यह स्पष्टतः उसका किसान, वाल्टर था।

उसने उसी समय तीन कदम बदाए और उसे कसकर गले लगा लिया। उसने पूछा, "आपने इतने समय पत्र क्यों नहीं लिखा?"

"मैं एक सप्ताह पहले शहर में आया था लेकिन आप, अपने पुराने पते पर नहीं मिली।"

"आपने मुझे कैसे खोजा?"

उसने कार्ड बाहर निकाला और पत्र पर 'डव्ल्यू' की ओर संकेत किया।
"जब मैंने इसे देखा तो मुझे तुरंत पता लग गया कि इसे किसने टाइप
किया है। आपका टाइपराइटर हमेशा लाइन के उपर डव्ल्यू टाइप करता
है।"

Healthy lifestyle is the need of the hour. While it came easy to the earlier generations, these days people find it hard to follow a healthy routine, owing to the fast paced life. People are working hard, partying harder and doing everything apart from taking care of their health. It is time we must take our health seriously. A few healthy habits can help you develop a healthy lifestyle over a period of time. Healthy habits that must be followed are mentioned below. Follow a healthy diet plan. Following a healthy diet plan is of utmost importance when you are trying to live a healthy life. Begin by following a healthy diet plan that includes all the essential nutrients and stay away from junk food. Wake up early. Most people are unable to indulge in exercise, have breakfast and spend few quality moments with their loved ones in the morning. This is because they do not wake up on time. Make it a habit to wake up early each morning so that you have enough time to enjoy all these tasks. Exercise. Squeeze in at least half an hour each day to indulge in physical exercise of your choice. You can choose to go for a walk, swim, practice yoga, deep breathing or do anything that interests you. This helps in reducing stress. Sleep on time. Since you have to wake up early, it is essential to sleep on time. You must ensure that you take at least seven to eight hours of sleep every day. Put your mobile aside. You should make it a habit to keep your phone aside, while you are working to enhance productivity. Also keep your phone at a distance when you are at home and spend quality time with your family. The rays emitted by mobile phones are harmful. It is thus suggested to keep it away, especially when you sleep at night. Connect with positive minds. It is always good to be friends with people who bring in positivity in your life and stay away from those who indulge in negative talks. Also, socialise with people who follow a healthy lifestyle, rather than those who regularly indulge in unhealthy habits. Have Your Meals on Time. Make sure you do not skip your breakfast or any other meal of the day. It is also suggested to have five to six small meals during the day, rather than having three large ones. Follow your interest. It is a good idea to squeeze in some time to follow your hobbies, such as gardening, reading, writing or anything of your choice. These act as a good replacement for the unhealthy habits and also help in keeping stress at bay.
