Read the following passage and answer the questions that follow:

One stormy night, an old couple driving through Philadelphia decided to stay in a hotel for the night.

They walked into a small hotel and asked the front desk clerk for a room.

The clerk, a friendly man, explained that all the hotels in the city were full because three conventions were going on.

He looked at the old couple again and said, "Sir, the weather is bad. Would you mind sleeping in my room? It may not be grand, but it will be comfortable all right." Edit as follows: all right The old couple looked at each other. They thought they would be depriving the clerk of his room if they agreed. So they declined.

The clerk sensed their concern. He again urged them to accept his offer and assured them that he would find a place for himself.

The old couple agreed.

Next morning after paying the bill, the old man said to the clerk, "People like you should be the boss of the best hotel in America. Maybe, someday I'll build one for you."

The clerk smiled.

On their way, the couple agreed that the clerk was indeed exceptional.

Two years passed. One day, the clerk received a letter from the old man. He reminded him about the stormy night incident and invited him to New York. He had enclosed a round trip ticket too for him.

The old man received him in New York and took him to the corner of 34th street. He pointed at a magnificent building standing tall in pale reddish stone and impressive watchtowers almost touching the sky.

"That," said the old man, "is the hotel I have built for you to manage."

'You must be joking," said the young man.

'I can assure you I am not" said the old man smilingly.

This old man was none other than William Waldorf Aster and the Hotel was called Waldorf Astoria Hotel.

The young clerk who became its first manager was George C Boldt. Boldt could not have foreseen events would change his life

निम्न अनुच्छेद को पढ़ें और दिए गए प्रश्नों के उत्तर दें:

एक तूफानी रात में, फिलाडेल्फिया के मध्य से गाड़ी चलाते हुए एक बुजुर्ग दम्पत्ति ने होटल में रात गुजारने का फैसला किया। वे एक छोटे से होटल में गए और फंट डेस्क क्लर्क से एक कमरे के बारे में पूछा।

कलर्क, जो स्नेहशील था, ने समझाया कि शहर के सभी होटल भरे हुए हैं क्योंकि तीन सम्मेलन चल रहे हैं।

उसने पुन: बुजुर्ग दम्पित्त को देखा और कहा, "महोदय, मौसम खराब है। क्या आप मेरे कमरे में ठहरना पसंद करेंगे? हो सकता है कि यह भट्य न हो, लेकिन यह पूर्णतया आरामदायक होगा। निम्नानुसार संपादन: ठीक है, बुजुर्ग दम्पित्त ने एक-दूसरे को देखा। उन्होंने सोचा कि अगर वे सहमत हो गए तो क्लर्क को उसके कमरे से वंचित कर देंगे। इसलिए उन्होंने मना कर दिया। क्लर्क ने उनकी मनोदशा भांप ली। उसने फिर से प्रस्ताव को स्वीकार करने का उनसे आयह किया और उन्हें आश्वासन दिया कि उसे अपने लिए जगह मिल जाएगी।

बुजुर्ग दम्पत्ति सहमत हो गए।

अगली सुबह बिल का भुगतान करने के बाद, बुजर्ग आदमी ने क्लर्क से कहा, "आप जैसे ट्यक्ति को अमेरिका में सबसे अच्छे होटल का मालिक होना चाहिए। हो सकता है, किसी दिन में आपके लिए एक होटल बनाउंगा।"

क्लर्क मुस्कराया।

रास्ते में दम्पत्ति ने सहमति टयक्त की कि क्लर्क बास्तव में असाधारण टयक्ति था।

दो साल बीत गए। एक दिन क्लर्क को बुजुर्ग ट्यक्ति से पत्र प्राप्त हुआ। उन्होंने उसे तूफानी रात की घटना के बारे में याद दिलाया और उसे न्यूयॉर्क आमंत्रित किया। उसने उसके लिए एक वापसी यात्रा टिकट भी संलग्न किया था।

बुजुर्ग व्यक्ति ने उसका न्यूयॉर्क में स्वागत किया और वह उसे 34वीं स्ट्रीट के कोने में ले गया। उसने एक शानदार बड़ी इमारत की और इशारा किया जोकि पेल रैडिश पत्थर से बनी थी और उसके प्रभावशाली बुज़े लगभग आकाश को छू रहे थे। बूढ़े आदमी ने कहा, "यह वह होटल है जिसे मैंने आपके प्रबंधित करने के लिए बनाया है।"

क्लर्क ने कहा, "आप मजाक कर रहे हैं।"

बुजुर्ग ट्यक्ति ने मुस्कुराते हुए कहा, "मैं आपको आश्वस्त कर सकता हूं कि मैं ऐसा नहीं कर रहा हूं।"

यह बुजुर्ग ट्यक्ति बिलियम बाल्डोफ एस्टर के अलावा और कोई नहीं था और होटल को वाल्डोफ एस्टोरिया होटल कहा जाता था। युवा क्लर्क, जो इसका पहला प्रबंधक बना था, वह जॉर्ज सी बोल्ट था। बोल्ट को उस्मीद नहीं थी कि प्रत्याशित घटनाएं उसकी जिंदगी बदल देंगी। Question Number: 53 Question Id: 819657498 Question Type: MCQ Option Shuffling: Yes Display Question Number: Yes

The Indian judiciary can be divided into two main categories, higher judiciary and lower judiciary. Higher Judiciary includes High Courts and Supreme Court the rest is lower judiciary. The process of appointment to lower judiciary is carried out by the state public service commissions or through the high courts. The process usually involves written examination which includes a preliminary objective test and then a mains subjective test. Once you qualify it you are subject to the interview after which if cleared you become a judge in the lower judiciary. There are another examinations that are conducted by the High Court for induction of Judges at the level of Additional District Judges, this is called Higher Judicial Services while it is higher than the PCSJ in rank, in overall scheme of things it is still lower judiciary. The process for HJS is also same but it requires an experience as a Judge or a Lawyer of minimum of 7 years. These two posts are regularly promoted and eventually some make it to the high courts or supreme courts. The Higher Judiciary includes the High Courts and the Supreme Courts. The appointment to this judiciary is done through promotion from lower judiciary or through direct elevation of practicing lawyers who has been an advocate for at least 10 years in high court. In case of Supreme Court they are appointed through direct elevation and promotion from high courts if they have been a judge for at least 5 years in High court. Judges of the Supreme Court and High Courts are appointed by the President. The President is required to hold consultations with such judges of the Supreme Court and of the High Courts as he may deem necessary. Till 1981, the appointment of judges was made by the government. The process in the constitution mentioned that the appointments shall be made in consultation with the chief justice. This opinion in this consultation was not binding on the government. In case of the appointment for the post of the chief justice, the post was usually given to one who was the senior most judge in the Supreme Court. There was nothing in the constitution which mandated it but this was the practice. But in 1977, Prime Minister Indira Gandhi, through president, superseded H. R. Khanna and appointed M. H. Beg as chief justice. After which the collegiums system was introduced. The collegium system of appointment was a process where the chief justice and the four senior most judges of the Supreme Court made recommendations of names that shall be appointed to the High Courts or Supreme Courts. The process of appointment of Judges was either through elected representatives or through Independent commission.
