Read the given passage and answer the questions.

A young man stood before the MD of a large company.

The Managing Director read his resume. The candidate had an excellent academic record all through.

The MD asked, "Have you ever been offered scholarship in school?"

"None," answered the youth.

"Did your father pay your school fees?"

"My father died when I was one year old. It was my mother who paid my school fees."

"Where did your mother work?" asked the MD.

"She worked as a clothes cleaner."

The MD asked him to show his hands. They were smooth and perfect.

Then he asked, "Have you ever helped your mother?"

"Never. My mother always wanted me to study and do well."

"So today, when you go back, clean her hands. Then see me tomorrow morning."

When he reached home, the young man asked his mother to let him clean her hands. She was confused but happy. She showed her hands to him.

As he began cleaning her hands, a tear fell from his eyes. He realised for the first time that her hands were wrinkled and bruised. Some bruises were so painful that she shivered when he poured water to clean them.

He understood the price she had to pay for his studies. He then washed all the clothes.

That night, they talked for a long time.

Next morning, when he reached office, the MD noticed tears in his eyes. "Can you tell me what did you and learn yesterday?"

"I cleaned my mother's hands and washed all the clothes."

"How did you feel?"

"I learnt what appreciation is. Without my mother, I couldn't have been successful. I learnt how difficult it is to get something done and the value of family relationship."

"This is what I am looking for in my manager. I want a manager who can appreciate help of others, who knows the sufferings of others and someone for whom money is not the only goal in life. You are hired."

दिए गए गदयांश को पई और प्रश्नों के उत्लर दें।

एक युवा व्यक्ति किसी बड़ी कंपनी के प्रबंध निदेशक के समक्ष खड़ा था। प्रबंध निदेशक ने उसका संक्षिप्त विवरण पढ़ा। उम्मीदवार का शैक्षिक रिकार्ड उत्कृष्ट था।

प्रबंध निदेशक ने पूछा, 'क्या आपको कभी स्कूल में छाववृत्ति दी गई है?" युवा ने उत्तर दिया, "कोई नहीं।"

क्या आपके पिता ने आपकी स्कूल की फीस का भगतान किया था?

"जब मैं एक बर्ष का था तो मेरे पिता की मृत्यु हो गई थी। यह मेरी माँ थी जिसने मेरी स्कूल फीस का भुगतान किया।"

प्रबंध निदेशक ने पूछा, "आपकी माँ कहाँ काम करती भी?"

"वह कपड़े साफ करने का काम करती थी"

प्रबंध निदेशक ने उन्हें अपने हाथ दिखाने को कहा। वे धिकने और सही थे।

फिर उसने पूछा, "क्या आपने कभी अपनी माँ की मदद की है?"

कभी नहीं। 'मेरी माँ हमेशा चाहती थी कि मैं अध्ययन करें और अच्छा काम करें।"

"तो, आज जब आप बापस जाएँ तो उनके हाथ साफ करें। कल सुबह फिर मुझसे मिलें।"

जब वह घर पहुँचा तो युवा व्यक्ति ने अपनी मों से कहा कि उसे हाथ साफ करने दें। वह उतझन में थी लेकिन खुश थी। उसने अपने हाथ उसें दिखाए।

जैसे ही उसने उनके हाथों की सफाई शुरू की, उसकी आँखों से आंसू गिरा। उसने पहली बार महसूस किया कि उनके हाथ झुरियों से भरे और छिले हुए थे। कुछ चोटें इतनी दर्दनाक थीं कि जब उन्हें साफ करने के लिए उसने पानी डाला तो वह सिहर उठी थी।

उसने अपनी पढ़ाई के लिए भुगतान करने हेतु उसके द्वारा अदा की गई कीमत को समझ लिया। फिर उसने सभी कपड़े धोए।

उस रात, उन्होंने लंबे समय तक बात की।

अगली मुबह, जब वह कार्यालय पहुंचा, तो प्रबंध निदेशक ने उसकी आंखों में ऑसू देखे। "क्या आप मुझे बता सकते हैं कि आपने कल क्या किया और क्या सीखा?"

"मैंने अपनी मों के हाथों को साफ किया और सभी कपड़े धोए।"

"आगे कैसा महसूस किया?"

"मैंने सीखा कि प्रशंसा क्या है। मैं अपनी माँ के बिना सफल नहीं हो सकता था। मैंने सीखा कि कुछ करना कितना कठिन है और परिवार के रिश्ते के मूल्य क्या है।"

"यही है जो मैं अपने प्रबंधक में ढूंढ रहा हूँ। मैं एक ऐसा प्रबंधक चाहता हूँ जो दूसरों की मदद की सराहना कर सके, जो दूसरों के दुखों को जानता हो और जिसके लिए जीवन में एकमात्र लक्ष्य पैसा नहीं हो। आपको नौकरी पर लिया जाता है।" Question Number: 53 Question Id: 2012982464 Question Type: MCQ Option Shuffling: Yes Display Question Number: Yes

The carnival of Venice is one of the most famous carnivals around the world, and a charming characteristic of the city. Its origins are centuries old, and it still attracts thousands of tourists each year to admire the sumptuous costumes and masks parading in the streets. Creating masks is not just an art in Venice, but also a tradition dating back hundreds of years in the past. The carnival became internationally famous and prestigious in the 18th century, when it reached its widest fame. It was in this period that the writer Casanova spent his life in Venice between wild parties and love affairs. Wearing masks and costumes made it possible for people to hide any differences of class or status. At the end of the century, the tradition of wearing masks was forbidden, and the carnival survived only in some islands of the lagoon. It was only in 1979 that the ancient tradition was restored, in the form still seen today. The magic of carnival gives an enchanted atmosphere to Venice. Masked people fill the streets with smiles and laughter, and several events are organized all around the city. The carnival usually lasts a couple of weeks, but the most important days are those between the last Thursday and the very last Tuesday. However, the weekends are usually the privileged time for tourists and visitors. On the last Sunday and last Tuesday of carnival, a big wooden stage hosts the award ceremony of the best masked costume. It is elected after several parades that take place during the central days of the festival. This stage is also the theater of different plays, where traditional masked characters interpret comic adventures. One can also participate in the sumptuous masked parties in the 18th century style, organized in ancient Venetian buildings.
